<p>The little Prince</p> 	Antoine de Saint Exupéry	https://blogs.uconn.edu/edep508/files/2016/02/TheLittlePrince.pdf	<p>"The Little Prince," by Saint-Exupéry, is a fascinating story whose main motif is the hero's journey. On the one hand, the little character's interplanetary travel; on the other, the Pilot's travel by plane to the Sahara Desert. And the most fascinating journey: the experienced by the Little Prince to knowledge and maturity, inviting us to accompany him in his adventures and discoveries.</p>	<p>8vo</p> <p>Semestre 1 ABRIL</p> <p>JUNIO</p>
<p>The giver</p> 	Lois Lowry	https://ia800504.us.archive.org/12/items/TheGiverFullBook/The%20Giver%20%28Full%20Book%29.pdf	<p>Jonas, a 12-year-old boy, lives in a Community isolated from all except a few similar towns, where everyone from small infants to the Chief Elder has an assigned role. With the annual Ceremony of Twelve upcoming, he is nervous, for there he will be assigned his life's work. He seeks reassurance from his father, a Nurturer (who cares for the new babies, who are genetically engineered), and his mother, an official in the Department of Justice. He is told that the Elders, who assign the children their careers, are always right.</p>	<p>Semestre 2</p> <p>Septiembre</p> <p>Noviembre</p>
